

Interested in presenting to Marin CAMFT?

Marin CAMFT seeks proposals from presenters to offer continuing education programming to our community of therapists and other mental health providers. Marin CAMFT is one of the larger CAMFT chapters in California, with over 400 active members.

We offer monthly clinical trainings and in-depth workshops on Zoom in the following formats:

- **Two-hour presentations** held on the second Friday of the month from 12:00pm to 2:00pm in the months of January to June and September to December (no trainings in July and August). Attendance is often around 100 people.
- **Longer intensive programs** held on a Saturday, in any month except for July, August or December. These are designed to qualify for 3 or 4 CEs, which means they are scheduled as 3½ or 4½ hours inclusive of breaks, usually beginning at 9:00am or 10:00am. These typically attract from 20 to 60 people.
- **Law & Ethics focused programs** that qualify to earn either 3 or 6 CEs. These are either all-day trainings held on a Saturday, or may be scheduled as two separate 3½ hour programs on different days.

Overview of Requirements

Marin CAMFT complies with all requirements set by CEPA (Continuing Education Program Administration Committee) at CAMFT, which incorporates the state regulations set by the BBS, as well as our own chapter policies. Here is a summary:

1. The training must be clinical in nature and relevant to the practice of therapy. Topics on therapist self-care or the business of running a practice do not usually qualify for CEs.
2. The course content must be supported by evidence (we'll need citations or references to articles published in peer-reviewed journals).
3. The training must speak to an aspect of diversity in a substantive way.
4. The presenter should be licensed, and have at least two years of experience in the subject matter of the training or possess specialized training or certification on the topic.

An honorarium is offered to all presenters. [Download our proposal form](#) with full details, or contact marincountycamftchapter@gmail.com with questions.

Marin CAMFT is approved by the California Association of Marriage and Family Therapists (CAMFT Provider #56895) to sponsor continuing education for LMFTs, LCSWs, LPCCs, and LEPs.
